

I'll Go Crazy

James Brown and The Famous Flames

Oh, you know I feel alright, oh yeah
You know I feel alright, children, oh yeah
You know I feel alright, oh yeah
Ah, you're hanging me up, baby, yeah babe
If you leave me, I'll go crazy
If you leave me, babe, shall I go crazy
'Cause I love you, I love you
Oh, I love you too much
And if you hurt me, I'll go crazy
If you ever go and hurt me, baby, I'll go crazy
'Cause I love you, I love you
Oh, I love you too much
You've got to live for yourself
Yourself, for nobody else
You've got to live for yourself
Yourself, for nobody else
Oh baby, I'll go crazy
If you ever leave me, babe, I'll go crazy
'Cause I love you, I love you
Oh, I love you too much
You've got to live for yourself
Yourself, for nobody else
You've got to live for yourself
Yourself, for nobody else
Talk about me ever loving you
If you hurt me, baby, you know that I'll go crazy
'Cause I love you, I love you
Oh, I love you much more than I can stand
I'm talking about you
