

# My Blue Heaven

## Smashing Pumpkins

Day is ending  
Birds are wending  
Back to their shelter of  
Each little nest they loveNightshade's falling  
Lovebirds calling  
What makes the world go 'round  
Nothing but loveWhen Whippoorwills call  
And evening is nigh  
I hurry to my blue heavenI turn to the right  
A little white light  
Will lead you to my blue heavenYou'll see a smiling face  
A fireplace, a cozy room  
A little nest that's nestled  
Where the roses bloomJust Molly and me  
And baby makes three  
We're happy in my blue heavenYou'll see a smiling face  
A fireplace, a cozy room  
A little nest that's nestled  
Where the roses bloomJust Molly and me  
And baby makes three  
We're happy in my blue heaven  
We're happy in my blue heaven
