

Just the Man for You

Mint Condition

Written by: Stokley Williams, Keri Lewis All that you want

All that you need

Baby we can spend this life so blissfully Chorus

Cause I'm just the man for you

Don't care what they say

Together till the end as lovers & friends

Just the man for you in every way

Could it be that heaven sent you just

For me too Don't be afraid

Cause soft like the wind

I'll caress your darkets fears and let light in
