Terrifying Sea

Milagres

I'm a shadow
Waiting in the blue
I'm a magnet with it's poles confused
All my failures are lost on you
Can you tell me what you see in me
While you bind both my hands and feet
I want nothing but you touching me
Every night before we go to sleep
Can you tell me what you see in me
Can you open up my tiny torpid brain
It's so boring this self inflicted pain
I wanna swim in a terrifying sea
I want to fix a million broken things
I want you to take me
I know you can make me
I wanna be what you see in me
I'm a vampire in a bloodless world
Like the chicken I'm a flightless bird
And I know it might seem absurd
But can you tell me what you see in me
Will you bind both my hands and feet
I want nothing but you touching me
Every night before we go to sleep
Can you tell me what you see in me
Can you open up my tiny torpid brain
It's so boring this self inflicted pain
I wanna swim in a terrifying sea
I wanna fix a million broken things
I want you to take me
I know you could make
I want to see what you see in me
