

# My Love Will Never Die

## Robben Ford & The Blue Line

You've done me wrong for a long, long time  
And all you've done still never changed my mind  
So please, try to love me, please baby try  
My love for you will never die These flowers grow where I lay and rest  
And these colored blossoms darlin', hold to your breast  
And darlin', I know it's my mind breakin' out from inside  
My love for you will never die These flowers grow where I lay and rest  
And these colored blossoms darlin', hold to your breast  
And darlin', I know it's my mind breakin' out from inside  
My love for you will never die, my love for you will never die
