

To The Moon And Back

East Clubbers

She's taking her time
Making up the reasons
To justify all the hurt inside
 Guess she knows
 From the smiles and the look in their eyes
 Everyone's got a theory about the bitter one
 They're saying, "Mama never loved her much
 And daddy never keeps in touch
 That's why she shies away from human affection
 But somewhere in a private place
 She packs her bags for outer space
 And now she's waiting for the right kind of pilot to come"
 And she'll say to him
 She's sayin'
 "I would fly to the moon and back if you'll be
 If you'll be my baby
 I've got a ticket for a world where we belong
 So would you be my baby?"
 She can't remember a time
 When she felt needed
 If love was red then she was color blind
 All her friends
 Well they've been tried for treason
 And crimes that were never defined
 She's saying, "Love is like a barren place
 And reaching out for human faith is
 It's like a journey I just don't have a map for
 So baby's gonna take a dive and a
 Push the shift to overdrive
 Send a signal that she's hanging all her hopes on the stars
 What a pleasant dream"
 She's sayin'
 "I would fly to the moon and back if you'll be
 If you'll be my baby
 I've got a ticket for a world where we belong
 So would you be my baby?"
 Hold on, hold on
 "Mama never loved her much

And, daddy never keeps in touch
That's why she shies away from human affection
 But somewhere in a private place
 She packs her bags for outer space
And now she's waiting for the right kind of pilot to come"
 And she'll say to him
 She's sayin'
 "I would fly to the moon and back if you'll be
 If you'll be my baby
 I've got a ticket for a world where we belong
 So would you be my baby?"
 "I would fly to the moon and back if you'll be
 If you'll be my baby
 I've got a ticket for a world where we belong
 So would you be my baby?"
 Yeah
