

Near You

Wilburn Brothers

There's just one place for me near you
It's like heaven to be near you
Times when we're apart, I can't face my heart
Say you'll never stray more than just two lips awayIf my hours could be spent near you
I'd be more than content near you
Make my life worthwhile by telling me
That I'll spend the rest of my days near youThere's just one place for me near you
It's like heaven to be near you
Times when we're apart, I can't face my heart
Say you'll never stray more than just two lips awaySpend the rest of my days near you
