

# Little Bit More

## Zounds

Rain is flooding, the pavement cracks  
Headlines screaming 'Pay more tax'  
A girl is crying as she misses her train  
Weather man is saying "Just a little more rain" Little bit more - Little bit more  
Everybody's looking for a little bit more Glass is blowing, the wind don't care  
It will blow on anything you leave down there  
I just don't believe the price of things  
Weather man is saying "Just a little more rain" Little bit more - Little bit more  
Everybody's looking for a little bit more Time runs quick like an enging train  
Someone's asking to increase some claim  
If I had more hours I think I'd feel fine  
Weather man's saying "Just a little more time" Little bit more - Little bit more  
Everybody's looking for a little bit more  
Little bit more - Little bit more  
Everybody's looking for a little bit more  
Little bit more - Little bit more  
Everybody's looking for a little bit more Time runs quick like an enging train  
Someone's asking to increase some claim  
If I had more hours I think I'd feel fine  
Weather man's saying "Just a little more time" Little bit more - Little bit more  
Everybody's looking for a little bit more  
Little bit more - Little bit more  
Everybody's looking for a little bit more  
Little bit more - Little bit more  
Everybody's looking for a little bit more
