## Sevendust

Come along with me on an acid trip  
I'll take your mind to a terminal bliss  
You're bound and gagged  
Mother fuckers laugh You shouldn't have stayed  
With me last night  
Despise the reason  
She stayed the night I swear she screamed  
She screamed so softly  
Rape Days go by they last so long  
She's still tired she wants to go home  
I can't let her get away I promise one day she'll pray for me  
To forgive me for all I've done  
"It ain't easy", that's what she said I swear she screamed  
She screamed so softly  
Rape me Don't let it worry  
Rape me  
Don't let it worry  
Don't let it worry I love the pain  
I love the pain Disgusted with myself  
With all the wrong I've done  
I can't imagine it was so much fun Yeah, it lasted so long  
The trip went on and on and on  
And then she said to me  
"Remember these words I say to be I swear she screamed  
She screamed so softly  
Rape me [Incomprehensible]  
Rape me  
[Incomprehensible]  
You fucking disgrace I love the pain  
I love the pain [Incomprehensible]  
Rape me  
[Incomprehensible] I love the pain  
I love the pain  
I love the pain
