## Candice Pillay

Dirty Diana, dirty Diana  
Dirty Diana, dirty Diana  
Dirty Diana, dirty Diana  
Dirty Diana, dirty Diana He wish that he can hold me  
Wish that he could love me  
Ain't no other lover, ain't nobody above me  
He wish that he can hold me  
Wish that he could love me  
Ain't no other lover, ain't nobody above me  
I'm his .. dose, his emotional poison  
I'ma bullet to the hearts of these boys like Ooh ooh  
Tell me why'd you have to fall in love  
I'm so coold  
Should've told you what's gonna wear your heart  
Like the cold in the snow Dirty Diana, dirty Diana  
Dirty Diana, dirty Diana  
Dirty Diana, dirty Diana  
Dirty Diana He wish that he could touch me  
Wish that he could fuck me  
He wish that he could touch me  
Wish that he could fuck me  
Doin it big for mama , don't miss your ...  
I'm his blazing fire on his way to the ocean  
I'ma bullet to the hearts of these boys like Ooh ooh  
Tell me why'd you have to fall in love  
I'm so coold  
Should've told you what's gonna wear your heart  
Like the cold in the snow Dirty Diana, dirty Diana  
Dirty Diana, dirty Diana  
Dirty Diana, dirty Diana  
Dirty Diana She know she bad shorty begged and damn she on  
Got everybody in the club  
tryin to sneack and take a picture with their camera phone  
She got nose in the air with her jimmy choo frames  
and the heels gotta match right  
Any nigga that she ever really had gotta look up  
on that ass with the flash light  
But .. Alexander McQueen  
My ringtone is the sound of my morning machine

My ringtone is the sound of my morning machine  
My ringtone is the sound of my morning machine  
Baby bye-bye, Baby bye-bye  
no shot to your body yet  
nigga die die, nigga die die  
So hot she about to get ... cdc  
my mind go flippin, and can't stop flippin  
like i'm trippin on that pcp  
see we get money and that money gonna stop  
til i'm ... got em layin on they back  
when they hear me on a track  
cause i hit em like ...  
no time for relaxin  
gotta keep on cashin, to the bank i'm flashin  
and about that action baby on my fashion  
so i keep on flexin, no ace of spade  
I got it made, smile for the camera  
they know my name, but you can call me  
Dirty Diana Dirty Diana, dirty Diana  
Dirty Diana, dirty Diana  
Dirty Diana, dirty Diana  
Dirty Diana
