In my eyes, I'm not lazy  
In my face, it's not over  
In your room, I'm not 'll'over  
In your eyes, I'm not worth itGimmie back my alcohol, gimmie back my alcohol  
Gimmie back my alcohol, gimmie back my alcohol  
Gimmie back my alcohol, gimmie back my alcohol  
Gimmie back my, gimmie back my  
Gimme backHeal a million, kill a million  
Peel a million, feel a million  
Heal a million, kill a millionIn my eyes, I'm not lazy  
In my face, it's not over  
In your room, I'm not 'll'over  
In your eyes, I'm not worth itGimmie back my alcohol, gimmie back my alcohol  
Gimmie back my alcohol, gimmie back my alcohol  
Gimmie back my alcohol, gimmie back my alcohol  
Gimmie back my, gimmie back my  
Gimme backHeal a million, kill a million  
Peel a million, feel a million  
Heal a million, kill a millionIn my eyes, I'm not lazy  
In my face, it's not over  
In your room, I'm not 'll'over  
In your eyes, I'm not worth itGimmie back my alcohol, gimmie back my alcohol  
Gimmie back my alcohol, gimmie back my alcohol  
Gimmie back my alcohol, gimmie back my alcohol  
Gimmie back my, gimmie back my  
Gimme backHeal a million, kill a million  
Peel a million, feel a million  
Heal a million, kill a million
