Guess Who's Coming To Dinner

Black Uhuru

Guess who's coming to dinner, Natty Dreadlocks
Guess who's coming to dinner, Natty DreadlocksOh I can see you brought some herb for me, Natty Dreadlocks
And Rasta near land Nyah Binghi Cudjoe are coming over the hills
Say in time like this we must live as one
So the Book of Rule shall stand, DreadlockGuess who's coming to dinner, Natty Dreadlocks
Guess who's coming to dinner, Natty DreadlocksI'm just coming in from the woods, Natty Dreadlocks
I appreciate the herb you brought for me, Natty DreadlocksNow that tings and time have changed
Suffering makes me realise, what it takes,
and that how to be a Natty Dreadlocks, ahoy,Guess who's coming to dinner, Natty Dreadlocks
Guess who's coming to dinner, Natty Dreadlocks
Guess who's coming to dinner, Natty Dreadlocks, wah hoy
Guess who's coming to dinner, Natty DreadlocksSo let's give thanks and praise, Natty Dreadlocks
I appreciate the herb you brought for me, Natty Dreadlocks, seenNow that tings and time have changed,
Suffering makes me realise, what it takes,
and that how to be a Natty Dreadlocks, ahoy,So let's give thanks and praise, Natty Dreadlocks
for the ital feed, oh whoah, Natty Dreadlocks,Guess who's coming to dinner, Natty Dreadlocks
Guess who's coming to dinner, Natty Dreadlocks
Guess who's coming to dinner, Natty Dreadlocks
Guess who's coming to dinner, Natty Dreadlocks
