

# Lights On (Single Mix) [feat. Ms Dynamite]

## Katy B

I keep on moving with the lights on  
I keep on moving with the lights on  
So come and play me just one more song  
I keep on moving with the lights on  
So you won't scare me with the lights onStep into the club  
And then come a turn and them watch me  
Step on to the floor man  
Watch me on a clock way  
Bass come like a trigger and  
The DJ come and shot me  
Rhythm takes control  
And nothing can stop me but them got me  
Because take a glass of water now  
Dance is getting hotter now  
Drowning in the heat now, I don't wanna leave  
Rude girl, you know we look hot  
From we tick the time, we drip drop  
Caught up in the night  
We ain't ready to go home yetSaid I will keep on going until they say so  
And even when they do it's so hard for me to go  
While some others at the clock room  
And some others out the door  
We can keep on going in the middle of the floor, yeahI keep on moving with the lights on  
So come and play me just one more song  
I keep on moving with the lights on  
So you won't scare me with the lights onI keep on moving with the lights on  
So come and play me just one more song  
I keep on moving with the lights on  
So you won't scare me with the lights onNow you can watch me if you like it  
'Cause I really don't care  
I'll be the same if there was only me inside in here  
'Cause this is where I'm meant to be  
I ain't going nowhere  
You'll have to come and move me  
If you want me out of hereSaid I will keep on going until they say so  
And even when they do it's so hard for me to go  
While some others at the clock room  
And some others out the door  
We can keep on going in the middle of the floor, yeahI keep on moving with the lights on

So come and play me just one more song  
I keep on moving with the lights on  
So you won't scare me with the lights on I keep on moving with the lights on  
So come and play me just one more song  
I keep on moving with the lights on  
So you won't scare me with the lights on Just one more, please take on gimme  
Mr. Sound Boy, me not done, you not see me  
Free in the heat and the beat 'till I sleep  
Lord have mercy, oh the vibe is so sweet  
Bad girl stamina can't done,  
Lights on, still I dip and go down,  
Tick it and a tock, and a dip it and a drop it  
And a rock it, my selector don't stop it I keep on moving with the lights on (I keep on moving with the lights on)  
So come and play me just one more song

Lights on I keep on moving with the lights on
