

# Searching with My Good Eye Closed

## Soundgarden

This is my good eye  
Do you hear a cow?  
A rooster says  
Here is a pig  
The devil says Painted blue across my eyes,  
and tie the linen on  
And I'm on my way,  
on my way Looking for the paradigm,  
so I can pass it off  
Is it on my side,  
on my side  
Is it to the sky,  
is it to the sky,  
Is it to the sky, now Searching for a ground  
With my good eye closed If I took you for a ride,  
would you take it wrong,  
or would you make it right,  
make it right  
Looking for a pedestal,  
that I can put you on,  
and be on my way,  
on my way Is it to the sky,  
Is it to the sky,  
Is it to the sky, now  
Searching for a ground  
With my good eye closed With my good eye closed  
With my good eye closed  
With my good eye closed  
With my good eye closed  
With my good eye closed  
With my good eye closed Stop you're trying to bruise my mind  
I can do it on my own  
Stop you're trying to kill my time  
It's been my death since I was born  
I don't remember half the time  
If I'm hiding or I'm lost  
But I'm on my way, on my way Is it to the sky,  
is it to the sky,  
is it to the sky,

is it to the sky, And i'm on my way,  
on my way,  
on my way,  
I'm on my way, yeah  
I'm on my way, yeah  
on my way, yeah Is it to the sky,  
is it to the sky On my way,  
on my way Is it to the sky,  
is it to the sky
