

# Me No

## Eef Barzelay

Me know, no bird sing to me  
We know it  
Me know, no fishes in the sea  
We know itWe have their bones to comb our hair  
So shiny  
Me know, no [Incomprehensible]  
I'll pull the strings, untie meMe know, no bird sing to me  
We know it  
Me know, no fishes in the sea  
We know itWe have their bones to comb our hair  
So shiny  
Me know, no [Incomprehensible]  
I'll pull the strings, untie meUntie me, untie me  
Untie me, untie me
