

New Aryans

Reagan Youth

Be proud that you're a white amerikan
Blond hair, bule eyes - a fine new aryan?

Supremacy's the white man's burden?A final solution for all new aryans...

Death to the nazis and the ku klux klan!

Anarchy in the fatherland!Anarchy for all new aryans

No master race is gonna rule my land!New order?

No order!

Disorder! ...Now!
