

Come Talk To Me

Peter Gabriel

The wretched desert takes its form, the jackal proud and tight
In search of you, I feel my way, though the slowest heaving night
 Whatever fear invents, I swear it make no sense
 I reach through the border fence
 Come down, come talk to me
In the swirling, curling storm of desire unuttered words hold fast
With reptile tongue, the lightning lashes towers built to last
 Darkness creeps in like a thief and offers no relief
 Why are you shaking like a leaf
 Come on, come talk to me
 Ah please talk to me
 Won't you please talk to me
 We can unlock this misery
 Come on, come talk to me
 {Chorus 1:}
 I did not come to steal
 This all is so unreal
 Can't you show me how you feel now
 Come on, come talk to me
 Come talk to me [x2]
The earthly power sucks shadowed milk from sleepy tears undone
From nipped skin as smooth as silk the bugles blown as one
You lie there with your eyes half closed like there's no-one there at all
 There's a tension pulling on your face
 Come on, come talk to me
 Won't you please talk to me
 If you'd just talk to me

 Unblock this misery
 If you'd only talk to me
 {Chorus 2:}
 Don't you ever change your mind
 Now your future's so defined
 And you act so deaf and blind
[And you act so deaf so blind] Come on, come talk to me
 Come talk to me [x2]
 I can imagine the moment
 Breaking out through the silence
All the things that we both might say

And the heart it will not be denied
'Til we're both on the same damn side
All the barriers blown away
I said please talk to me
Won't you please come talk to me
Just like it used to be
Come on, come talk to me
I did not come to steal
This all is so unreal
Can you show me how you feel now
Come on, come talk to me
Come talk to me [x2]
I said please talk to me
If you'd just talk to me
Unblock this misery
If you'd only talk to me
[Chorus 2]
