Pootie Tangin'

702

On the dance floor shake your thing its
Alright alright
If you think you pootie tangin'
And you know that you're parlaying
On the dance floor shake your thing its
Alright alright
A Pootie is a shot calling player
Who's stacking nothing but papers
He gets his mack on with flavor
(Always parlaying)
When he goes out kicking and clubbing
Or in his whip he be bobbing
He knows the ladies they love him
(He's pootie tangin')
And he got this look in his eyes
Like I'm his number one prize
Again a silly me
Takes composure
So if you're doing your thing
And if you like Pootie Tang
Let me hang spend some time to get to know you
If you think you pootie tangin'
And you know that you're parlaying
On the dance floor shake your thing its

And you know that you're parlaying
On the dance floor shake your thing its

And you know that you're parlaying

Boy you know your one in a million
You speaking what you be feeling

And now you got me I'm willing
(Let's do whatever)
Wanna breath the air that you're breathing
And show and tell you the reasons

(I'll do whatever)
Come on baby lets take a ride
Just wanna be by your side
'Cause I've been feeling like it's my duty
