

# My Love

## Wings

And when I go away  
I know my heart can stay with my love, it's understood  
It's in the hands of my love, and my love does it good  
Wo wo wo wo wo wo, my love does it good And when the cupboards bare  
I'll still find something there with my love  
It's understood, it's everywhere with my love  
And my love does it good Wo wo wo, wo wo wo, my love does it good  
Oh I love oh wo, my love  
Only my love holds the other key to me  
Oh my love oh my love  
Only my love does it good to me Wo wo wo, wo wo wo, my love does it good  
Don't ever ask me why, I never say goodbye to my love  
It's understood, it's everywhere with my love  
And my love does it good
