

Take Me (Polographia Remix)

Rufus

Oh oh
Oh oh
Oh oh
Oh ohTake me
Away across the ocean
Out in the horizon the night is fallingOutside in the golden air
Washed out and no one's there
She said I'll meet you there
SometimeSunset in the breeze
Drifting into me
Her love will make it right
This timeSo take me
Away across the ocean
Out in the horizon the night is fallingTake me
Away across the ocean
Out in the horizon the night is fallingTake me
Away across the ocean
Out in the horizon the night is fallingSkyline closing in
Her eyes whispering
We swam across the night
To findUnderwater lights
Shadows in disguise
Your lips come close to mine
In timeOh oh
Oh oh
Oh oh
Oh ohOh oh
Oh ohSunset in the breeze (Oh oh)
Drifting into me (Oh oh)
Her love will make it right (Oh)
This timeSo take me
Away across the ocean
Out in the horizon the night is fallingTake me
Away across the ocean
Out in the horizon the night is falling
