Think Like A Man

Jennifer Hudson

[Chorus]But in love, in love, in love, in love
You gotta act like a woman but think like a man
But in love, in love, in love, in love
You gotta act like a woman but think like a man
[Jennifer Hudson]Why you told me you dream bed
And foolish of me I believe that
You said every king needs his queen babe
That's why you needed me baby
Right in between lust and love
You go and mess things up
Now there's no we babe
There's just you and there's me baby
There was us, there was trust
There was happen and change, I know
Silly you, silly me, silly us, what a waste
[Chorus]But in love, in love, in love, in love
You gotta act like a woman but think like a man
But in love, in love, in love, in love
You gotta act like a woman but think like a man
[Ne-Yo]Now I'ma keep it realer with you now that I ever been
we shoulda never been, girl we was better friends
You didn't had to tell me, what, where, why and when
Um I didn't either ,
Cause you wasn't my girlfriend, we had a good thing
You would come by and kick it , ooh give me that good thang
Then after we were finished,
You go your way, I go my way, it was whatever
Tell me what the hell made us
Think this was gon be better
And now i'm telling you lies,
All because I hate to see the tears in your eyes

Of course I want my cake, and eat it too, i'm a guy
And of course, you don't understand,
But you would if you thought like a man in love
[Chorus]But in love, in love,in love, in love
You gotta act like a woman but think like a man
But in love, in love, in love, in love
You gotta act like a woman but think like a man

[Rick Ross]Time cost money and it's so expensive
Versace, lenny got these women blowing kisses
Leaning on my auto, she's so photogenic
Can I take a picture, she's my mona lisa
Living like a princess in a fairy tale
You know them people up in barney show and tell
Bentley black and not a ninja see no poney tail
5 karat yellow diamond you don't know me well
Penthouse, set the drunks, it don't call and sell
She caught a attitude I had to call a cab
You don't understand it's altitude i'm balling at
I'm at the game on the wood where the owner at
[Bridge]So different but the same,
Boy you taught me everything
Yeah you show me how you think,
You're the only one to blame
It's such a shame,
That you lost the game you taught me how to playyy!
[Chorus]But In love, in love, in love, in love
You gotta act like a woman, but think like a man
But in love, in love,in love, in love
You gotta act like a woman but think like a man
Act like a woman, act like a woman
Gotta act like a woman
