

Devil In Me

Hysterica

Hot high heel shoes, black leather dress

 All you need to take a perfect mess

 Sad and take to that hear the son

Couple of drinks that then be undoneThen suddenly he changes his mind

 He's not my kind

 Always the same dead promises

No more of thisMy heartbeats is faster and my sight turns red

 All i wanna do is scream

 I can resist what you've seen

He brings out the devil in meIt's a devil in me

 Full of fear

 Its a devil in me

 Look what my love can bring

He thinks is cools standing all alone

 Stupid smiles taking out the room

Every gone and invite when a pretty face

 Get a blink of his charming eyes
