## Krokus

Aaw... gonna take it to the limit... yeah!  
Come on...I've been pushin' my load uphill  
And my back is bent  
Now I'm lookin' for a thrill  
'cause the juice ain't spent  
Slippin' in for satisfaction  
Gimme a piece of your sweet love action  
'Fore the night is through...  
Gonna rescue you'cause I'm a hellraiser  
funchaser  
hellraiser  
boneshaker!  
You sink me into oblivion  
When you let me in  
You make me feel like one in a million  
When you moan'n'grin... aw!  
Forget about the neighbours  
Lettin' it all hang out  
We're rockin' this joint  
I love to hear you scream and shout...  
aaaawww!I'm a hellraiser  
funchaser  
hellraiser  
boneshaker!  
No one's beggin' for mercy... slipping and sliding' it in  
Aww alright![Chorus 3x]Come again... baby  
Mmmmmm gonna slide it right in... aww!
