

Hands in the Air

Miley Cyrus

(Intro)

Let me see your hands in the air(Verse)

I remember dreaming bout

The things I do right now

Like I climbed on to a cloud

Scared to look back down

I remember when

I was all alone

Nobody round

To hold me down

But now you're here with me tonight

Look at what you found

I was lonely for some time

Now it's only you and I

I won't leave without your love tonight, tonight(Chorus)

I'm dancing

To the sound

My words in the crowd

Too high to come down

So let me see your hands in the air

Let me see your hands in the air

Let me see your hands in the air(Verse: Ludacris)

It's go hard or go home and it ain't no lookin back

My toughest enemy's is in the mirror, would you look at that?

I'm top five, dead or alive, one of the best to rhyme

And if I ever take a seat I stood the test of times

Every verse, every song, every feature I was on

Better know that I abused it

If I die before my time I'll still be living through my music

I cracked the industry open but still got this shit on lock

Even on the highway up to heaven Luda still would be on top(Chorus)

I'm dancing

To the sound

My words in the crowd

Too high to come down

So let me see your hands in the air

Let me see your hands in the air

Let me see your hands in the airWoah Woah Woah

Ooooooh (x4)yeah yeah yeah yeah yeah

Ooooooh (x2)(Chorus)
I'm dancing
To the sound
My words in the crowd
Too high to come down
So let me see your hands in the air
Let me see your hands in the air
Let me see your hands in the air
