

Kissin'

The Archies

Ki-ki-ki, ki-ki-ki-kissin'
Ki-ki-ki, ki-ki-ki-kissin'
Ki-ki-ki, ki-ki-ki-kissin'
Aww Kissin' is the thing to do
When your feeling sad and blue
When your feeling sad and blue
Kissin' is the thing to do
Wha, ooh, wha, ooh When your feeling down and out
And you don't know what your about
Get yourself someone real nice
Kiss them once then kiss them twice
Ki-ki-ki, ki-ki-ki-kissin' Kissin' is the thing to do
When your feeling sad and blue
When your feeling sad and blue
Kissin' is the thing to do
Wha, ooh, wha, ooh When down times get your mind upset
Don't look back and don't regret
Take a little tip from me
And try this groovy remedy Ki-ki-ki, ki-ki-ki-kissin'
Kissin' is the thing to do
When your feeling sad and blue
When your feeling sad and blue
Kissin' is the thing to do
Wha, ooh, wha, ooh, wha, ooh, wha, ooh Now I'm feeling pretty bad
And I can see that you are sad
When will you start to cry
Why don't we give a kiss a try Ki-ki-ki, ki-ki-ki-kissin'
Kissin' is the thing to do
When your feeling sad and blue
When your feeling sad and blue
Kissin' is the thing to do Kissin' is the thing to do
When your feeling sad and blue
When your feeling sad and blue
Kissin' is the thing to do Kissin' is the thing to do
When your feeling sad and blue
