

# Living Water

[Narnia](#)

I've Been Running All My Life  
To Find Some Peace Of Mind  
Searching For The Treasure Everywhere  
I Met Jesus Christ  
He's The Son Of God  
He's The One Who Healed My Broken Heart  
I Breathe Your Spirit  
I Breathe Your Love  
Living Water From The Father  
Fills My Body  
Now I'm Moving On  
I've Cried So Many Tears  
For So Many Years  
Looking Out For Real Love In My Life  
I Met The Holy One  
Salvation Through God's Only Son  
Eternal Life For The World Today
