

# Can You Feel the Love Tonight (with Lea Salonga)

## Il Divo

No te has dado cuenta  
Me huelo lo peor  
Porque ese par se va a enamorar  
Volvemos a ser dos  
La brisa de la noche  
La luna y su color  
El clásico romance  
Lleno de desastres por amor And can you feel the love tonight  
It is where we are  
It's enough for this wide-eyed wanderer  
That we got this far  
And can you feel the love tonight  
How it's laid to rest  
It's enough to make kings and vagabonds  
Believe the very best Quisiera ser sincero  
No sé qué voy a hacer  
Decirle la verdad o no  
Hay mucho que esconder  
Qué habrá que esconder  
No puedo comprender  
Por qué no quieres ser  
Quien debes ser  
¿Al ve que creo en él And can you feel the love tonight  
It is where we are  
It's enough for this wide-eyed wanderer  
That we got this far  
And can you feel the love tonight  
How it's laid to rest  
It's enough to make kings and vagabonds  
Believe the very best
