

Call My Name (Live at O2 Arena)

Cheryl Cole

How do you think i feel when you call my name
You got me confused by the way i changed
How do you think i feel when you call my name,
My name, say my name baby
Yes i love you say for the way i know we've been apart
It's an endless circle, the poison arrow to my heart
Saying i-i-i, i love what you do to me, need you to stay with me
i-i-i i love you too much to let go
How do you think i feel when you call my name
You got me confused by the way i changed
How do you think i feel when you call my name,
My name, say my name baby
How do you think i feel when you call my name
You got me confused by the way i changed
How do you think i feel when you call my name,
My name, say my name baby
It's constant thought of my baby taking up my time
It's an non stop vision of you that's playing on my mind
Saying i-i-i, i love what you do to me, need you to stay with me
i-i-i i love you too much to let go
How do you think i feel when you call my name
You got me confused by the way i changed
How do you think i feel when you call my name,
My name, say my name baby
How do you think i feel when you call my name
You got me confused by the way i changed
How do you think i feel when you call my name,
My name, say my name baby
(oh oh oh oh oh oh oh oh)
When you call my name
(oh oh oh oh oh oh oh oh)
(oh oh oh oh oh oh oh oh)
When you call my name
(oh oh oh oh oh oh oh oh)
Say my name baby
(oh oh oh oh oh oh oh oh)
When you call my name
(oh oh oh oh oh oh oh oh)
(oh oh oh oh oh oh oh oh)

When you call my name
(oh oh oh oh oh oh oh oh)
Say my name baby
