How Long Will I Love You

Ellie Goulding

(Hmm)
How long will I love you
As long as stars are above you
And longer if I canHow long will I need you
As long as the seasons need to
Follow their planHow long will I be with you
As long as the sea is bound to
Wash upon the sandHow long will I want you
As long as you want me to
And longer by farHow long will I hold you
As long as your father told you
As long as you canHow long will I give to you
As long as I live through you
However long you stayHow long will I love you
As long as stars are above you
And longer if I may
(Hmm)How long will I love you
As long as stars are about you
