

# I Think

## Trinidad James

He said that you were crazy  
He said that you were losin' your mind  
And that you don't know how to treat a man  
But baby, you do me just fine  
Every time he comes around, he tells me  
How you did him wrong, telling me  
You broke his heart but I don't really give a damn  
About what he says 'cuz check this out  
I think, I think that you're a beautiful woman  
And I think, I think that you deserve a good man  
I think, I think that I could be the man for ya  
So baby, won't you take my hand?  
I think, I think that you're a beautiful woman  
And I think that you deserve a good man  
I think that I could be the man for ya  
So baby, baby, won't you take my hand?  
He says you're disrespectful  
And that you don't know how to carry yourself  
And now he's tellin' me you're ghetto  
But still I want no one else  
I'm really sick and tired of him  
And the way that he talks about you  
I think I'm gonna tell him, oh yeah  
Oh yeah, "Hey, I love that woman"  
I think, I think that you're a beautiful woman  
And I think, I think that you deserve a good man  
I think, I think that I could be the man for ya  
So baby, won't you take my hand?  
I think, I think that you're a beautiful woman  
And I think that you deserve a good man  
I think that I could be the man for ya  
So baby, baby, won't you take my hand?  
He's always telling me that you're  
Not the one for me but I see things in you  
That he would never see, so no matter what he says  
And baby no matter what he might do  
There is nothing and no one that can change  
My feelings for you, oh baby yeah  
I think, I think that you're a beautiful woman

And I think, I think that you deserve a good man  
I think, I think that I could be the man for ya  
So baby, won't you take my hand?  
I think, I think that you're a beautiful woman  
And I think that you deserve a good man  
I think that I could be the man for ya  
So baby, baby, won't you take my hand?
