She's the One

World Party

I was her

She was me

We were one

We were free

And if there's somebody calling me on

She's the one

If there's somebody calling me on

She's the oneWe were young

We were wrong

We were fun

All along

And if there's somebody calling me on

She's the oneWhen you get to where you want to go

And you know the things you want to know

You're smiling.

When you said what you want to say

And you know the way you want to play it

You'll be so high you'll be flying. Tho' the sea

Will be strong

I know we'll

Carry on

Cos if there's somebody calling me on

She's the one

If there's somebody calling me on

She's the one. When you get to where you want to go

And you know the things you want to know

You're smiling.

When you said what you want to say

And you know the way you want to play it

You'll be so high you'll be flying. I was her

She was me

We were one

We were free

And if there's somebody calling me on

She's the one

If there's somebody calling me on

She's the one
