Ride Like That

Travis Porter

No no, don't act like that
I know I told you I'll be right, right back
As long as you can bring that right back
I'm a give it to you like, like that
Your nail, nails, all on my back
You don't know shawty, I like that
Come on
Let me show you how to ride like thatFeet white as cocaina, shawty wet Aquafina
Know she wanna ride it, I can tell by her demeanor
And me and shawty got a real good vibe
She dripping all down her thighs
Now bitch tell me you can look in my eyes
Sun roof's open, I can see the sky
It's just something I can't deny, I hear your body calling me
Wanna be my private dancer, come with me to ecstasy
Pussy so wet, and she ride it like a jet ski
Fly down to Atlanta, shawty get the best of meNo no, don't act like that
I know I told you I'll be right, right back
As long as you can bring that right back
I'm a give it to you like, like that
Your nail, nails, all on my back
You don't know shawty, I like that
