

# Dancin' Fool

Barry Manilow

When I hear a band blowin' Basie  
I can count on losing my cool  
Take me where the rhythm is racy  
Let me be a dancin' fool  
Some prefer the Cafe Europa  
Sipping Dubonnet on a stool  
Me, I get my kicks at the Copa  
That's where I'm a dancin' fool  
I'll show you some moves  
Smooth as satin  
And others, they don't teach in school  
When that crooner starts in to scattin'

Just give me a chance an'  
My Tuxedo pants an'  
Presto  
I'm a dancin' fool  
When those trumpets blare, man  
I ain't got a care, man  
I'm like Fred Astaire, man  
Cool  
Just give me a chance an'  
My Tuxedo pants an'  
Presto  
I'm a dancin' fool
