

Hollow

FM

I don't know what I'm feelin', lately my life has no meaning
It's a big world out there, we had something good here
Now it seems that's not enough
I know it won't be long, you'll be heading for home
Am I really tough enough?

'Cos I'm hollow, i don't know how I'll get by
Each day feels as long as the rest of my life
I can't eat, I can't sleep
This cloud over me drags me down
'Cos I'm hollow when you ain't around

Every corner, every backstreet
All of those places, where we used to meet
We grew up side by side, We were here for the ride
And together we'd go strong
I know life has changed, but I'm still feelin' the same
For me you'll always be the only one

'Cos I'm hollow, i don't know how I'll get by
Each day feels as long as the rest of my life
I can't eat, I can't sleep
This cloud over me drags me down
Now I'm hollow when you ain't around

Whatever it takes, or how long the wait
I'll still be waiting here for you

I'm hollow, i don't know how I'll get by
Each day feels as long as the rest of my life

I'm hollow, i don't know how I'll get by
Each day feels as long as the rest of my life
I can't eat, I can't sleep
This cloud over me drags me down
'Cos I'm hollow when you ain't around

I'm hollow, i don't know how I'll get by
Each day feels as long as the rest of my life
I can't eat, I can't sleep

This cloud over me drags me down
'Cos I'm hollow when you ain't around

Hollow when you ain't around
