Kung Fu Fighting

Cee-Lo

Everybody is Kung fu fighting,
Your mind becomes fast as lightning
Although the future is a little bit frightening(a little bit frighting)
It's the book of your life that you're writingYou're a diamond in the rough,
A brilliant ball of clay,
You can be a work of art,
If you just go all the way,Now what would it take to break?
I believe that you can bend,
Not only do you have to fight,
But you have got to win,Everybody is Kung fu fighting,
Your mind becomes fast as lightning
Although the future is a little bit frightening(a little bit frighting)
It's the book of your life that you're writing (life that you're writing)You are a natural,
Why is it so hard to see?
Maybe its just because,
you keep on looking at meThe journeys a lonely one,
So much more than we know
But, sometimes youve got to go
Go on and be your own hero.'Cause everybody is Kung fu fighting,(Kung fu fighting)
Your mind becomes fast as lightning
Although the future is a little bit frightening(a little bit frighting)
It's the book of your life that you're writing (life that you're writing)Youre a diamond in the rough,
A brilliant ball of clay,
You can be a work of art,
If you just go all the way,Now what would it take to break?
I believe that you can bend,
Not only do you have to fight,
But you have got to win,'Cause everybody is Kung fu fighting,(Kung fu fighting)
Your mind becomes fast as lightning.
Although the future is a little bit frightening (a little bit frighting)
It's the book of your life that you're writing
