Always The Sun (Ahmet Atasever Remix)

Richard Durand

Your darkness grows
In fields of loneliness
Every breath
As cold as ice
Where lies are true painted black
Searching for some light to lead you backAlways the sun
After all
Always the sun
Like a wailing wall
Give me hope
Show some meaningAlways the sun
To strike a chord
Always the sun
To turn the world
AlwaysYour darkness grows
In fields of loneliness
Every breath
As cold as ice
Where lies are true painted black
Searching for some light to lead you backAlways the sun
After all
Always the sun
Like a wailing wall
Give me hope
Show some meaningAlways the sun
To strike a chord
Always the sun
To turn the world
Always
