

# I'm Goin' Down to the River

**Bob Fabing, S.J.**

Iâ€™m going down to the river to wash my sins away  
Iâ€™m going down to the river to wash my sins away  
If you go down to the river, youâ€™ll wash your sins away

Now the river is Jesus, Heâ€™ll wash your sins away  
Oh yes, the river is Jesus, Heâ€™ll wash your sins away  
So get you down to the river and wash your sins away

Do you believe in forgiveness? Heâ€™ll wash your sins away  
Do you believe in forgiveness? Come wash your sins away  
Remember, Jesus He saves you, Come wash your sins away

Oh the sins of the whole world â€™ Our God will take them away  
Oh yes, the sins of the whole world â€™ Our God will take them away  
You wanna see something special? He takes your sins away

Come up on Calvaryâ€™s mountain, Heâ€™ll wash your sins away  
Come up on Calvaryâ€™s mountain, Heâ€™ll wash your sins away  
Turn to the God Who can save you, Heâ€™ll wash your sins away

God is a light in the fortress, Come wash your sins away  
God is a light in the fortress, Come wash your sins away  
He fought the death and all evil, Heâ€™ll wash your sins away

Come now and sing Alleluia, Come wash your sins away  
Come now and sing Alleluia, Come wash your sins away  
Come to our God of compassion, Heâ€™ll wash your sins away

Heâ€™ll wash your sins all away
