

# Make Time For Love

## Warlock

Takes a life-time of battle  
To wipe down this slate  
But it don't really matter  
I'm a soldier of fate  
Takes a life-time of pure desire  
A passionate saint  
To watch the children lie dying  
Outside of heaven's gate  
My heart is a lion  
That no-one can tame  
But I'm falling, I'm falling  
I'm falling in love  
Oh love - don't let me walk away from love  
Don't let me be afraid of love  
Don't wanna fade without love  
Oh I - must make time for love  
I'm standin' on a field of fire  
I'm a rollin' thunder  
No-one can save  
But it don't really matter  
To a fortunate slave  
The flames gettin' higher  
I pray for rain  
And I'm falling, I'm falling

I'm falling in love  
Oh love - don't let me walk away from love  
Don't let me be afraid of love  
Don't wanna fade without love  
Oh I - must make time for love  
And my heart is a lion  
That no-one can tame  
But I'm falling, I'm falling  
I'm falling in love  
Oh love - don't let me walk away from love  
Don't let me be afraid of love  
Don't wanna fade without love  
Oh I - must make time  
Love - don't let me walk away from love

Don't let me be afraid of love  
Don't wanna fade without love  
Don't let me walk away  
Don't let me be afraid  
Don't let me walk away  
Don't wanna fade without love  
Without love  
Without love  
Without love  
Without love
