You're In Love

Wilson Phillips

Open the door and come in
I'm so glad to see you my friend
I don't know how long it has been
Having those feelings again
But now I see that you're so happy
And ooh, it just sets me free
And I'd like to see us as good of friends
As we used to be
Ah....My love...Ah
You're in love
That's the way it sould be
'Cause I want you to be happy
You're In Love
And I know that you're not in love with me
Ooh, it's enough for me to know that You're In Love
I can let you go
'Cause I know that You're In Love...
Sometimes it's hard to believe
That you're never coming back for me
I've had this dream that you'd always be by my side
Oh, I could've died

But now I see that you're so happy
And ooh, it just sets me free
And I'd like to see us as good of friends
As we used to be
Ah....My love...Ah
You're in love
That's the way it sould be
'Cause I want you to be happy
You're In Love
And I know that you're not in love with me
Ooh, it's enough for me to know that You're In Love
I can let you go
'Cause I know that You're In Love...
I tried to find you but you were so far away
I was praying that fate would bring you back to me
Someday, someday, someday...
Ooh, You're In Love

Ooh, it's enough for me to know that You're In Love
Now I'll let you go
'Cause I know that You're In Love...No
No, No, No, No, No, No, No.. Ooh...
