Wet Dreams

Pepper

Say to me now, you've never had your heart broken
Don't believe you, as far as I could throw you
I know it hurts too much, the fact that she will leave you
You messed up my clothes, you're falling asleep, for nowI wanna know all those reasons why
You're taking this, baby, way too slow
I need it and I've been wondering
Why you've wetted my dreamsOh, trust me when I say she'll never be coming home
'Cause under her dress now is where you belong
So don't buckle from the pressure just use your ambition
Squeeze till you're tired, she'll be falling asleep for days and daysI wanna know all those reasons why
You're taking this, baby, way too slow
I need it and I've been wondering
Why you've wetted my dreamsI wanna know all those reasons
Why you've wetted my dreamsThese, ain't no ordinary
These, ain't no ordinary
These, ain't no ordinary
These, just ain't no ordinaryI wanna know all those reasons why
You're taking this, baby, way too slow
I need it and I've been wondering
Why you've wetted my dreamsI wanna know all those reasons why
You're taking this, baby, way too slow
I need it and I've been wondering
Why you've wetted my dreamsI wanna know all those reasons
Why you wetted my dreams
