

Love Lifted Me (Old Skool)

IDMC

V1

Here's a song we wrote for you
It's a melody that talks about Love
We all know there is truth in the words
That love makes the world go roundRISE
Love is a very special gift to us, so let's use it
And make the world a better place, It was loveHOOK
Love, lifted me
Love, that lifted me
When, nothing else could help
Love lifted me...e..e
Love, lifted me
Love, that lifted me
When nothing else could help
Love lifted, Lo-ove lifted meV2â€™ Love is patient, love is kind
Love will cover us, when we go wrong
Love never fails to see
The good in all of our livesV3
You should give love, Show love
Share love, Try love
Help to make this world go round
(repeat)RISEHOOKBRIDGE
Faith makes all things possible
Love makes everything easy
True love is like a well,
That never runs dryLove isn't love, until you give it away
When the power of love,
Overcomes all the hate
It will be a brighter day
