

Save Me

Nicki Minaj

I drove for miles just to find you and find myself
Only screams all these voices in my head
You gave me strength gave me hope for a lifetime
I never was satisfied This time won't you save me, this time won't you save me
Baby I can feel myself giving up, giving up
This time won't you save me, this time won't you save me
Baby I can feel myself giving up, giving up Giving up (giving up)
Giving up (giving up)
Giving up It's not your fault
I'm a bitch, I'm a monster
Yes I'm a beast and I feast when I conquer
But I'm alone on my throne, all these riches
I came this way all this way just to say eh This time won't you save me, this time won't you save me
Baby I can feel myself giving up, giving up
This time won't you save me, this time won't you save me
Baby I can feel myself giving up, giving up Giving up (giving up)
Giving up (giving up)
Giving up I'm giving up baby yes I'm giving up baby
It seems like I've been driving for miles
Yes I'm giving up baby
And I can't seem to silent these voices in my head
This time won't you save me?
Come save me
This time won't you save me?
Come save me This time won't you save me, this time won't you save me?
Baby I can feel myself giving up giving up
This time won't you save me, this time won't you save me?
Baby I can feel myself giving up, giving up This time won't you save me, this time won't you save me?
Baby I can feel myself giving up giving up
Giving up
