

# It's Christmas Time!

## Sarantos

I think (it's Christmas time) again  
Once again it's snowing, outside  
I look out my window with cheer  
I'm filled with such a sense of, pride  
This is my favorite time of the year  
Once again I feel so, peaceful  
Memories as a child flood my mind  
Food I've eaten makes my belly full  
I'm having such a good time  
It's that time of the year  
The air is clean and pure and clear  
The good times are here  
'Cause Santa makes me, so full of cheer  
It's Christmas time  
Snow is falling softly, outside  
Out in the cold I look up to the sky  
Yet I'm feeling cozy, tonight  
Such a feeling I can't deny  
As the night takes over, the skyline  
This scene is such a treasured sight  
And I'm happy for all that is mine  
Once again, everything feels right  
It's that time of the year  
The air is clean and pure, and clear  
The good times are here  
'Cause Santa makes me, so full of cheer  
It's that time of the year  
The air is clean and pure, and clear  
The good times are here  
'Cause Santa makes me, so full of cheer  
It's Christmas time  
Do you hear that? The kids are happy  
And the angels are singing  
It's that time of the year  
The air is clean and pure, and clear  
The good times are here  
'Cause Santa makes me, so full of cheer  
It's Christmas time  
Yep, it's still Christmas time  
Still, Christmas time!
