

# I'm Gonna Scream

## Shampoo

If I dont get what I want  
Im gonna, Im gonnaI wanna drive them into their grave  
I wanna ride in the bat mobile  
Live in a shack in Beverly HillsI want the world, I want the stars  
Get my own space shuttle and travel to Mars  
Sleep in a watered fifty feet long  
Make em jump when I bang my gongIf I dont get what I want  
Im gonna, Im gonna
