Is it alright
Tell me baby
Is it alright
If I give you just a little bit of my 12-play
12-Play

Just a little bit of my
Just a little dab more baby of my 12-play
And you won't regret
Come one and let me drive you crazy
I been stroking you up and down
Spinning you all around
Change your frown to a smileBreak it down
Oh
Oh yeah yeah yeah
Oh baby baby baby
Just a little 12-play
Weather it's morning, noon, or night
I can make you feel alright
(12 Play just a little bit)
Once the lights go down
There'll be no fooling around
12 Play1 2 3 4 5 6
7 8 9 10 11 1212 Play
12 Ways to love you baby
You won't regret it baby
And you surely won't forget it baby
After I give you some of my 12 play
Baby your body's looking good to me
And in your eyes I can certainly see it
That you need some of my 12 play
