

# Cancel on Me

## Bombay Bicycle Club

Cancel on me again  
Oh cancel on me again  
And it's not your fault  
And again  
No it's not your fault you said  
Oh All the world has come to see the end  
And you will never see this place again  
And all the world has come to see the end  
And you will never see my face again No it's not your fault and again  
No it's not your fault you said  
So cancel on me again  
Oh cancel on me again  
Oh And all the world has come to see the end  
And you will never see this place again  
And all the world has come to see the end  
And you will never see my face again  
(repeat) Dreaming of you pushing up to me  
And I know where it's gonna lead  
Dreaming of you rushing up to me  
You know it's where you want to be Dreaming of you pushing up to me  
And I know where it's gonna lead  
Dreaming of you rushing up to me  
That was the boy I used to be I'm dreaming of you rushing  
I'm dreaming of you rushing  
I'm dreaming of you rushing up to me
