Green Day

Advisory - the following lyrics contain explicit language:

Stranded, lost inside myself
My own worst friend and my own closest enemy
I'm branded, Maladjusted
Never trusted anyone let alone myself I must insist on being a pessimist
I'm a loner in a catastrophic mind
Elected the rejected
I perfected the science of the idiot No meaning and no healing
Self loathing freak and introverted deviant I must insist on being a pessimist
I'm a loner in a catastrophic mind
[Incomprehensible]
[Incomprehensible] Stranded lost inside myself
My own worst friend and my own closest enemy
Elected the rejected
I perfect the science of the idiot I must insist on being the pessimist
I'm a loner in a catastrophic mind
I'm getting pissed, I'm a worthless pessimist
I'm a loner in a claustrophobic mind
