

G.N.O. (Girl's Night Out)

Miley Cyrus

Don't call me, leave me alone
Not gonna answer my phone
'Cause I don't, no, I won't see you I'm out to have a good time
To get you off of my mind
'Cause I don't and I won't need you Send out a 911
We're gonna have some fun
Hey boy, you know you better run 'Cause it's a girls night
It's alright without you
I'm gonna stay out
And play out without you
You better hold tight
'Cause girls' nights without you Let's go G.N.O.
Let's go G.N.O.
Let's go G.N.O.
Let's go, its a girls night I'll dance with somebody new
Won't have to think about you
And who knows what that girl will lead to You'll here from everyone
You'll get the 411
Hey boy, you knew this day would come 'Cause it's a girls' night
It's alright without you
I'm gonna stay out
And play out without you Let's go G.N.O
Let's go G.N.O
Let's go G.N.O
Let's go, its a girls night Hey boy
Don't cha wish you could've been a good boy?
Try to find another girl like me, boy
Feel me when I tell ya I am fine
And it's time for me to draw the line I say, "Hey boy"
Don't cha wish you could have been a good boy?
Try to find another girl like me, boy
Feel me when I fine and it's time for me to draw the line 'Cause it's a girls night
It's alright without you
I'm gonna stay out
And play out without you
You better hold tight
'Cause it's a girls night without you Let's go G.N.O
Let's go G.N.O
Let's go G.N.O

Let's go, It's a girls' night
