

Resolution

Desperate Journalist

He says "I haven't seen you in years"
Like planes can fade in the atmosphere
Step in fresh softening winter frost
Slipping by them like lustre and lust

5-4-3-2-1

And it's over
Oh-woah-oh-oh

A set piece lifted from every film ever made
The warmest hell, the answers are delayed
Warm into your hands at the screen
The epic new year revelation scene

5-4-3-2-1

And it's over
Oh-woah-oh-oh

And the band leader he meant
The fever he meant
And the band leader he meant
The fever he meant

5-4-3-2

1 and it's over
Oh-woah-oh-oh

Oh, 1-1-5-9-9
And it's over
Oh-woah-oh-oh
