

Married Men

Bette Midler

The world is full of married men
With wives who never understand
They're lookin' for someone to share
The excitement of a love affair
And just as soon as they find you
They'll wine you and dine you
Fly on the wings of romance
But in the eyes of the world
You're just another girl
Who loves a married man
Uh, they do it, they do it, they do it, they do it
Again and again
Auh, they do it, they do it, they do it, they do it
These married men
Ooh, you make him feel so young
But his wife is still the number one
He promises to marry you
Yeah, just as soon as his divorce comes through
Whoa, it's not just a fling
He swears, it's the real thing
A love that will last 'til the end
But as he's drivin' away
You know, it's true what they say
About a, a married man
They say, "They do it, they do it, they do it, they do it
Again and again"
Woo, they do it, they do it, they do it, they do it
These married men
Ah, he'll run when the scandal
Gets too hot to handle
He'll say, "He just wants to be friends"
And then he'll walk outta your life
And go home to his wife
'Cause he's a married man
Oh, your love is a secret
You've got to sneak it
Long as you can
Don't cry for your lover
There's always another
Married man, married men
They do it, they do it, they do it, they do it
Married, married men
Ahh, they do it, they do it, they do it, they do it
These married men
The world is full of them
Girls, now listen
They're hungry, don't trust a
Oh, the world is full of them

The world is full of themThey do it, they do it, they do it, they do it
Again and again
They do it, they do it, they do it, they do it
Again and againThey do it, they do it, they do it, they do it
Can't help but lovin'
Oh, honey, they do it and then they do it again
Oh, make you feel real good
They do it, they do it, they do it, they do it
